

Tanner Thelin, Designer

PROFESSIONAL EXPERIENCE

Designer, Greenhouse Jan 2015 — Sep 2016

Owned the creative process behind many of the marketing materials, including social media, display ads, emails, eBooks, etc. Was able to work on some front-end projects, mostly around static sites. Designed many aspects of the large events that the company organized. Helped establish the Greenhouse visual brand.

Design Contractor, Grimmer & Assoc. May — Dec 2015

Worked as an in-house designer for a legal firm, designing all of the visuals and charts that would end up being used in court cases.

Freelance Designer 2013 — 2015

Intern, SolutionStream June 2012 — Oct 2012

Worked on multiple projects to improve my visual design skills. Was also able to work on a few light development projects.

Design Intern, Mokinetworks June 2011 — Sep 2011

Collaborated with a small team on projects for dozens of businesses, with projects ranging from static sites to mobile games.
